

Auto Electrician

Final Assembly | Roger Dyson Ltd, Droitwich

HOURS	PAY	LOCATION
Full-time, permanent	£16.00 - £18.00 per hour	Long Bank, Droitwich WR9 9AN

About Us

Roger Dyson Ltd manufactures state-of-the-art recovery vehicles on site in Droitwich. For over 50 years we have built a reputation for quality, and we are proud of what our team produces.

The Role

Due to expansion plans, we are recruiting Auto Electricians for our Final Assembly workshop. You will install electrical systems on new recovery vehicles, built on light and heavy trucks, and play a key part in getting each vehicle ready for the customer.

What You Will Be Doing

- Install electrical systems on new recovery vehicles, on light and heavy trucks
- Carry out electrical fitting, testing and fault finding on new recovery vehicles
- Make up wiring looms, junction boxes and ancillary equipment
- Fault find on used vehicles
- Assist with hydraulic and mechanical fitting

About You

- A time-served background in automotive electrical work
- A background in automotive or commercial vehicles, construction plant, truck bodywork or fork lift trucks
- **Ideally:** 3 years' experience in automotive electrics
- Excellent organisation, time management and planning skills
- Confident in your workmanship
- Highly motivated, versatile and flexible, able to achieve results in a busy working environment

What We Offer

- Hourly rate of £16.00 - £18.00, depending on experience
- Full-time, permanent role, based on site in Droitwich
- On-site parking

HOW TO APPLY

Please send your CV and a cover letter to career@rogerdyson.com
